

MIS Fall 2009 Workshops August 4 & 6, 2009

CHANGES IN VERSION 2010.1

Changes in Version 2010.1 Aug. 4 & 6, 2009

START-UP

- × **Added auto-convert at installation of new version to initialize new fields in all MIS records: Ethnic_Group, Race_Category, OSEP_Ethnicity, and Amended_Date. Ethnic_Group = blank, Race_Category = "00000", OSEP_Ethnicity = blank, Amended_Date = 00/00/00.**
- × **Added new Ethnic Group, Race Category, and OSEP Ethnicity (single character) to the Student Find function.**
- × **Removed old Ethnicity field from the screens, reports, imports and exports.**
- × **Added new Ethnic Group and Race Category to the screens, reports (Student MIS, Rosters, Services, Confirmation, Sept 20, OSEP and Ind 5), imports and exports.**

2

CALENDARS

- × Modified sort of Calendars to sort descending by FY.
- × Modified the Accept button on Calendar entry (both district and building calendar entry). Will check for dup PreSchool calendars. a) If the current calendar being created/modified is a regular non-preschool calendar, any PreSchool calendars that are identical matches (except for Board Approved) will be deleted. User will receive a message about which PreSchool calendars are being deleted. b) If current calendar being created/modified is a PreSchool calendar, and it is identical to a non-preschool calendar, user is given option of having it deleted or to continue editing it. Modified the Duplicate button on Calendar entry (both district and building calendar entry). Will check for dup PreSchool calendars before doing the Duplicate.

3

DATA ENTRY

- × Added Amended_Date to the Student Entry layouts (multiple, single, archived).
- × Added check on modifying existing IEP date. It cannot be modified to be same as an existing IEP date. Modified the Create New MIS record. Added check on IEP date. It cannot be same as an existing IEP date.

4

HELP FILES

- × **New Help files are included in this version. The new Help Files folder must be copied into the same folder as your LEAMIS data file. The LEAMIS Update will take longer to download because the screen shots in the Help Files folder add approx. 27 MB to the size of LEAMIS update.**

5

IMPORTING DATA

- × **A tab-delimited KIDS 2009-2010 Collection System version 5 file can be used to populate the Race and Ethnicity fields in LEAMIS via the feature called “Import of KIDS Collection file for Obtaining Ethnicity and Race codes” under the Import/Export Menu item.**
- × **LEAMIS imports the KIDS Collection file Hispanic Ethnicity (D13) field into the LEAMIS OSEP_Ethnicity field when the KIDS Collection file Statue Student Identifier (D14) field matches with a LEAMIS KIDS ID. The KIDS Collection file Comprehensive Race (D31) field into LEAMIS Race_Category field when the KIDS Collection file Statue Student Identifier (D14) field matches with a LEAMIS KIDS ID.**
- × **If an ID match is made, the Hispanic Ethnicity (D13) and Comprehensive Race (D31) field is imported into the LEAMIS OSEP_Ethnicity field when the LEAMIS OSEP_Ethnicity field is blank and when the LEAMIS OSEP_Ethnicity field is populated.**

6

IMPORTING DATA

- × If an ID match is made, the Comprehensive Race (D31) field is imported into the LEAMIS Race_Category field when the LEAMIS Race_Category field is blank and when the LEAMIS Race_Category field is populated.
- × If an ID match is not made, a message is written to an importlog.txt file. Agencies may wish to ask the KIDS administrator to query the KIDS Collection data source for the students with disabilities and gifted education students. The import_log.txt file could be used as a cross-reference between the KIDS Collection data source and LEAMIS.
- × An agency may use the feature as many times as they wish to update the Race and Ethnicity codes.

7

REPORTS

- × OSEP Table 4 Exiters- Uses the most recent MIS records with exit date in specified range. Must have funding code 1 or 2. Must have exit status of O, W, G, M, X, L, T, A, D, H, U. ("A" status not applicable until FY2010 table is run.) Age on Dec 1 is 14-21. If exit status is M, then age must be >17. Must have valid disability. Disability cannot be DD. Must have valid OSEP Ethnic Group and OSEP Race Category. Table 4 uses age on Dec 1 in calculations and exports Age on Dec 1.
- × Removed age 22 students from OSEP Tables.

8

SPP DATA

× Ind 12 Part C to B Referrals

- + Changed the "View Part C to B Referrals" menu item to be "View Ind 12 Part C to B". Added auto-convert at installation of new version to delete all existing Ind 12 Part C to B records. Modified Ind12 entry layout for new fields and processes.

× Ind 7 OWS

- + Modified Ind7 OWS Entry report. Added dialog before the Ind7 OWS Exit Report can be run. Explains about promoting grades. Modified Ind7 OWS Exit Report.

9

VERIFICATIONS

- × Modified the message after user runs process "Find Stus Gifted Exit Part B" from the Process menu from the list of students to say "The new selection of Student records are for students that are Gifted who exited Part B and are Potential Candidates to have the 'Gifted Student Exits Part B' procedure run.**

10

VERIFICATIONS

- × **Modified the dialog the user sees when the process "Gifted Student Exits Part B" from the Process menu from MISpg2 fails to process the student. In addition to listing all conditions that must be met, there are now checkboxes beside each condition. Any conditions that were not met are marked with a check in the checkbox.**
- × **Modified menu item "Truncate Prior IEP Servicelines" so that servicelines are truncated to next IEP date - 1. Previously, they were truncated to next IEP date.**

11

YEAR TO YEAR PROCESS

- × **Don't forget to update your data in LEAMIS for FY2010.**
